Seamen's Hospital Society.

ANNUAL REPORT FOR THE YEAR 1927.

THE Board of Management present herewith their
107TH ANNUAL REPORT.

Again the Seamen's Hospital Society has been fortunate enough to meet its needs, the income for the year being £89,996 : 2 : 2 and the expenditure £82,978 : 16 : 8. Your Board desire to express to the many good friends of the Seafarer and generous donors their most sincere thanks for the support they have afforded, and for the confidence which they have shown in the work of the Corporation.

This work has in no wise fallen off, and both at the Dreadnought and all the other Hospitals of the Society the number of Seamen who have been restored to health has been as large as ever.

During the past year Sir James Michelli decided to ask the Board to accept his resignation of the post of Secretary, which he had held for forty years. It was with much regret that the Board received and accepted his resignation, but they decided that the time had come when Sir James might reasonably feel that he would like to retire to a less strenuous life. They are glad, however, that his unique experience and knowledge of Hospital administration will still be available for the benefit of the Sailor, as he has been elected Hon. Treasurer with Sir Robert Williams, with a seat upon the Board.

It was a lucky day for the Seamen's Hospital Society when, in 1887, the Board appointed Mr. Michelli (as he then was) as Secretary. Mainly owing to his indefatigable energy, foresight and administrative capacity has the Society grown

and developed during these forty years to a degree altogether beyond the ordinary.

In 1887 the establishments of the Society consisted of the Dreadnought Hospital, Greenwich, and one Dispensary. Within three years the first branch Hospital was established at the Albert Dock. In 1898, eight years later, came the founding of the London School of Tropical Medicine, which was housed in new buildings attached to the Albert Dock Hospital. In 1918 the Angas Convalescent Home at Cudham was opened. In 1920 there followed the transfer of the London School of Tropical Medicine to Central London, together with the opening of a new Hospital—the Hospital for Tropical Diseases, Endsleigh Gardens. In 1921 a Sanatorium for Seamen suffering from pulmonary and surgical tuberculosis was opened at Bramshott, in Hampshire. In 1924 there followed the Tilbury Hospital.

The total number of beds provided in all these establishments amounts to 557.

In 1887, when Sir James Michelli became Secretary, the income and expenditure averaged £12,000 per annum—now the annual income and expenditure exceeds £80,000 per annum.

The number of patients treated in 1887 was 7,361, while in 1926 over 28,000 were cared for in the various establishments of the Corporation.

Surely such a record of development is one that any man may be proud of.

The Board have appointed Mr. R. E. V. Bax, M.A., Oxon., Barrister-at-Law, to succeed Sir James Michelli. Mr. Bax had served as Assistant Secretary since 1919.

During the summer the Committee of the Queen Alexandra Memorial Hospital at Marseilles opened negotiations with a view to entrusting the administration and management of their Hospital to the Seamen's Hospital Society.

A few words are necessary first about the establishment of this Hospital. A scheme for providing a British Hospital at Marseilles was started in January, 1918. The work of raising the necessary funds and carrying out the building and equipping of the Hospital has been done by a Committee in Marseilles under the chairmanship of H.M. Consul-General, and by a Finance Committee in London. It was not until September, 1927, however, that the Hospital was finished and equipped, and ready to receive patients.

Having achieved this, the Committee, as stated, approached your Board, and as a result of the negotiations which ensued, your Board decided to undertake the maintenance of the Hospital as from 1st January, 1928. They felt the more justified in doing so as the Hospital was always mainly intended for sailor patients, and was originally called "The British Merchant Seamen's Hospital." After the death of Queen Alexandra, H.M. the King graciously permitted the Hospital to be known as the "Queen Alexandra Memorial Hospital." By happy coincidence, our Royal President was already Patron, and H.R.H. the Duchess of York, Patroness of the Hospital.

The Hospital (a picture of which appears on the front page of this report) stands in its own grounds, and is situated in the higher part of the town overlooking the docks. In addition to the general wards it provides accommodation for Officers of the Mercantile Marine and a certain number of private patients. An important feature is a separate section for infectious or contagious cases. The total number of

beds is 60. A British Medical Officer is resident in the Hospital, and the Nursing Staff is composed of fully-trained British Nurses.

The Board have appointed the old Executive Committee in Marseilles *en bloc* as Local Advisory Committee; this body, with a resident Secretary, will be responsible to the Board for the details of administration.

Warm thanks are due to Mr. Spencer S. Dickson, H.M. Consul General at the present time, for his untiring services and invaluable help during the negotiations and in the completion of the transfer and since then, and it is with pleasure that the Board report that he has consented to continue as Chairman of the Advisory Committee at Marseilles. This is the first time that the Society has undertaken the work of caring for sick seamen outside the shores of Great Britain, and it is hoped that the Hospital may also be a boon to many travellers east or west on the highways of the sea.

In connection with the taking over of this Hospital, Mr. F. C. Goodenough, Chairman of Barclays Bank, Ltd., and Hon. Treasurer of the London Committee of the Marseilles Hospital, is submitted to the Governors for election as a Vice-President, and Admiral Ronald Hopwood, C.B., Chairman of the Committee in London, is recommended for election as a member of the Board of Management.

The Board record with deep regret the death of the following Vice-Presidents during the year: The Rt. Hon. Viscount Cowdray and Major-General F. L. Lessard, C.B.

Lord Cowdray was the senior Vice-President of the Corporation, having been elected to that office in 1896, the year of the opening of the Blackwall Tunnel, which was one of the many large engineering works with which his name was associated. He died on the 1st May, 1927.

Major-General Lessard was elected a Vice-President in 1896 in recognition of the valuable assistance he rendered

in connection with Lord Devonport's Fund for the improvement of the Dreadnought Hospital, he having raised a sum of £7,000 for this purpose. General Lessard died in Toronto in August, 1927.

With sorrow the Board report also the death of two of their colleagues, namely, Sir John Wimble, K.B.E., and Admiral Sir Edmond Slade, K.C.I.E., K.C.V.O.

Sir John Wimble joined the Board in 1909. He was a member of the firm of Messrs. C. T. Bowring & Co., and his knowledge of shipping affairs was invaluable to the Society. Until his health began to fail he was a regular attendant at the Board meetings, and took an active interest in the work of the Corporation. He died on the 25th November, 1927.

Admiral Sir Edmond Slade, who died on 20th January, 1928, after only a few days' illness, had been a member of the Board since 1926. During this period he took an active part in the management of the Society, and was particularly interested in the Hospital for Tropical Diseases.

In addition to the losses already referred to, the Board have suffered by the resignation of Admiral of the Fleet Sir Henry Jackson, G.C.B., K.C.V.O., F.R.S., due to ill-health, and of Vice-Admiral E. R. Mansell, C.B.E., M.V.O., due to pressure upon his time in consequence of his election as Deputy Master of Trinity House.

Both these members will be much missed, but it is in the hope that their interest in the Society may be retained that their names are submitted to the Governors for election as Vice-Presidents.

The following have been elected members of the Board during the year : Captain H. C. Birnie, D.S.O., R.N.R. (elder Brother of the Trinity House), and, as already mentioned, Sir James Michelli, C.M.G.

Two eminent members of the honorary medical staff, whose names have been for many years connected with the Society, have passed away, namely, C. W. Daniels, M.B., F.R.C.P., who died in August, 1927, and Sir Dyce Duckworth, Bart., M.D., F.R.C.P., who died in January, 1928.

Dr. Daniels was one of the leading experts in this country on Tropical Disease, and worked with Sir Patrick Manson. He joined the London School of Tropical Medicine as Medical Tutor in 1901, and held this office until 1910. He was elected Assistant Physician to the Albert Dock Hospital in 1906, Physician in 1912, and Consulting Physician in 1920. He was also Consulting Physician to the Hospital for Tropical Diseases, Endsleigh Gardens.

Sir Dyce Duckworth joined the Dreadnought Hospital as Physician in 1905 and became Consulting Physician in 1917. He played a prominent part in connection with the foundation and development of the London School of Clinical Medicine, and his distinguished position in the medical world was a great asset both to the School and the Hospital.

All the various establishments have been kept busy during the past year.

The Dreadnought still continues to maintain its reputation among Seamen of all nations. During the past year the Trustees of the Devonport Fund have provided for additional bathrooms and lavatories in the building. The new Nurses' Home is now roofed in, and the pathological laboratories will be ready for occupation within the next month or two.

At the Albert Dock Hospital a plaque was unveiled on the 15th of March by the Rt. Hon. Neville Chamberlain, the Minister of Health, in memory of Sir Patrick Manson. The plaque was put up in the ward in which Sir Patrick Manson worked and taught.

On the 15th July, Admiral Sir Montague Browning, G.C.B., G.C.M.G., M.V.O., declared open, and the Bishop of Guildford dedicated, a new ward of ten beds at King George's Sanatorium, which, by the use of vita glass which admits the actinic rays, enables fullest advantage to be taken of such sunshine as the winter months in this country afford. At the same time another ward, which had been adapted for the purpose, was opened for the use of various forms of artificial sunlight treatment. As mentioned in the last Report, these improvements have been possible largely owing to gifts from officers and men of the Royal Navy.

The following endowments have been made during the year :—

The "Trossachs" Bed, endowed at Dreadnought Hospital by Mrs. P. V. A. Reid.

The "Seamen's Hospital Aid Committee Bed, No. 7," endowed at Dreadnought Hospital.

The "G. W. Lindsay White" Bed, endowed at Hospital for Tropical Diseases by Mrs. Lindsay White.

During the year the following patients have been treated :—

	<i>In- Patients.</i>	<i>Out- Patients.</i>	<i>Total</i>
Dreadnought Hospital ..	2,692	11,817	14,509
Albert Dock Hospital ..	745	6,377	7,122

The total figures last year were 28,264.

The Society has once again been served most loyally and faithfully by the administrative, medical and nursing staffs in all the establishments, and the Board take this opportunity of expressing to them all, individually and collectively, their appreciation and gratitude for their work in the interests of the sailor.

IN THE CITY OF LONDON.

15th February, 1928.

EVENTS OF THE YEAR 1927.

The Annual Court was held at the Hotel Cecil on Monday, 21st February. Owing to the absence of the President of the Society (H.R.H. the Duke of York), the chair was taken by H.R.H. Prince George, and the fact that this was His Royal Highness's first appearance in public caused the meeting to be one of especial interest. Nearly 1,000 Governors and friends of the Charity were present, and the British Broadcasting Company kindly arranged for the Prince's speech to be broadcasted.

In the early part of the year Mr. F. A. Lyon returned from the East, and, as a result of his visit to Ceylon and India, the Society benefited to the extent of £2,800, of which £1,000 will probably become annual contributions.

Consequent upon the promotion of Mr. R. E. V. Bax to the office of Secretary, Mr. F. A. Lyon, B.A. (Oxon.), has been appointed Assistant Secretary, and Mr. J. P. Heming, B.A. (Cantab.), Steward.

DREADNOUGHT HOSPITAL.

Mr. J. K. Hasler, M.B., B.S. (Lond.), has been appointed Anæsthetist to the Dreadnought Hospital.

Dr. R. Donnellan, Senior Anæsthetist, has retired after ten years' service, and Mr. E. S. Rowbotham has now become Senior Anæsthetist.

Mr. R. E. Bickerton, D.S.O., Ophthalmic Surgeon, has been appointed Honorary Surgeon to H.M. the King.

Dr. Richmond McIntosh, who was appointed Medical Superintendent in May, 1926, resigned at the end of the year in order to take up private practice. Dr. L. H. Savin, M.R.C.P., F.R.C.S., has been appointed to succeed him.

Changes have also taken place in the Nursing Staff. Miss E. J. Williams, A.R.R.C., Matron, has resigned in order to take over a private Nursing Home in London. Miss C. E. Hayden, Matron of the Hospital for Tropical Diseases, has been appointed Matron of the Dreadnought, and Miss E. Lloyd, formerly Assistant Matron at the Dreadnought, has been appointed Matron of the Hospital in Endsleigh Gardens.

The surgeons are pressing for a supply of radium, which will cost about £900, to enable them to combat the terrible scourge of cancer. Warm thanks are due to an anonymous donor, who has generously given £500 for this purpose.

On Saturday, the 18th June, Mrs. Spencer Stidolph kindly unveiled the tablet erected over the seventh bed endowed by the Seamen's Hospital Aid Committee. There was a large attendance, and Sir Arthur Clarke expressed the gratitude of the Seamen's Hospital Society for the generous support accorded them by this Aid Committee.

The first annual re-union of "Dreadnought" Nurses and presentation of Bernhard Baron medals took place in the grounds of the Dreadnought Hospital on Wednesday, the 22nd of June. Miss A. M. Hall, M.B.E., formerly Matron, presented the medals, and a large number of "Dreadnought" Nurses were present.

The Dreadnought Ladies' Linen League, which has done most excellent work during the year in repairing the Hospital

linen and providing new articles, held a Market and Fair in the grounds of the Dreadnought on Saturday, the 23rd July. Lady Benn kindly declared the proceedings open, and the Fair resulted in a sum of about £120 being credited to the funds of the League.

A Masonic Service, organised by the "Borough of Greenwich" Lodge, was held at the Royal Naval College on Sunday afternoon, the 30th October, when the V.W. Brother, the Rev. W. P. Besley, M.A., M.V.O., P.G.C., Hon. Chaplain to the King, preached. The service was very largely attended. The offertory was divided between the Freemasons' Hospital and the Seamen's Hospital Society.

ALBERT DOCK HOSPITAL.

On Tuesday, 17th May, the new Chapel was dedicated by the Bishop of Barking. The Rev. Canon T. G. Steele, of the Church of the Ascension, Victoria Docks, the Rev. E. C. Stephens, of the Missions to Seamen, and the Rev. J. Bilby, Chaplain to the Hospital, were also present and took part in the service.

The Honorary Medical Staff of the Hospital has been augmented by the appointment of Mr. E. Wolff, F.R.C.S., as Ophthalmologist, and Dr. J. V. Sparks, D.M.R.E., as Radiologist.

The Port of London Authority have very kindly granted the Society some additional land, which has enabled it to provide a tennis court for the use of the resident staff of the Hospital. This is a great acquisition, which is particularly acceptable in that district, where there are no amenities for sport and recreation.

HOSPITAL FOR TROPICAL DISEASES.

A second bed in this Hospital has been endowed by residents in Ceylon. The tablet over this bed, together with the tablet over the Lindsay White bed, was unveiled on Thursday, 23rd June, by Brig.-Gen. Sir William Manning, G.C.M.G., K.B.E., C.B., ex-Governor of Ceylon, and dedicated by the Rt. Rev. E. A. Copleston, D.D., formerly Bishop of Colombo. A large number of those interested in the tropics were present.

Col. H. Kirkpatrick, M.B., B.Ch., has been appointed Ophthalmic Surgeon to this Hospital.

An Out-patient Department in connection with this Hospital was opened in March and is doing useful work.

Mr. Samuel Samuels has generously given a donation of £50 for the provision of artificial sunlight lamps, for which the Committee are very grateful.

TILBURY HOSPITAL.

Dr. G. Carmichael Low and Dr. P. Manson Bahr have been appointed Consulting Physicians to this Hospital.

A house adjacent to the Hospital, and formerly occupied by Dr. Fowler, has been acquired and converted into a Children's department, and has been named "The Violet Whitmore Ward for Children," in memory of a gentle and gracious lady who was a great friend and supporter of the Tilbury Hospital.

The Linen League has again rendered conspicuous service in maintaining the supply of bedding and linen for the Hospital, and the thanks of the Society are due to the members for their self-sacrificing labours.

ANGAS HOME.

During the year an additional field has been purchased at a cost of £770.

The Annual Fête was opened by Mrs. Hamilton on Saturday, the 2nd July, and the function was, as usual, a great success.

KING GEORGE'S SANATORIUM.

A beginning has been made in a modest way for training patients at the Sanatorium in handicrafts, and it is hoped that this may develop and become a self-supporting section of the work of the Sanatorium.

The "*Daily News* Wireless Fund" have presented a seven-valve Burndept Receiving set to the Sanatorium, which has proved a great boon to the patients.

The thanks of the Society are due to the Ladies' Linen League, whose members have worked indefatigably throughout the year, thereby effecting a considerable saving in the cost of bedding and linen.

Samaritan Fund.

THE Committee invite those Governors and Subscribers to the Society, and all friends of Sailors, who do not already contribute to the Samaritan Fund, to become Subscribers of 5/- a year.

As is well known, the desire of the Seamen's Hospital Society is not only to cure the sick and injured, but to succour those who, through shipwreck, sickness, or other misfortune, are in distress when leaving the Hospital. The Samaritan Fund enables the Committee to assist such by providing clothing for those in need, and railway and boat fares to different ports in the United Kingdom to those who, but for the Fund, would find themselves among strangers in the Port of London—without money, and without a home. The incurable and those past work are sent, when practicable, to whatever part of the world they may belong.

Presents of Clothing and left-off Wearing Apparel will be most thankfully received and acknowledged.

Reproductions of Hollar's Long View of Greenwich are on Sale at the Hospital, for the benefit of the Samaritan Fund, price 2/6. Framed, 5/-.

FRIENDS of the Hospital
are asked to remember
the **SAILOR** when making
their Wills.
